# One Care Contract Amendment

- CMS, MassHealth, and the One Care plans have signed an amended and restated Three-Way Contract that is effective as of April 1, 2019
  
- The Amendment incorporates:
  - Changes to comply with the 2016 Medicaid Managed Care Rule
  - Service updates and additions, including:
    - Substance Use Disorder/Behavioral Health services authorized in the 2016 1115 MassHealth Demonstration Amendment
    - Community Support Program (CSP) services for chronically homeless individuals
  - New rating category for a small number of enrollees who participate in the Transitional Living Program:
    - Enrollees with traumatic brain injury who live in specialized residential settings and have very high costs
    - New rating category is referred to as C3C in this amendment, but will be updated to C4
  - Feedback from the Implementation Council and the Ombudsman, including:
    - Clarification of the process for making service requests
    - Incorporates required plan coordination with the Ombudsman
    - Updates requirements for LTS Coordinators and strengthens their integration with care teams
    - Adds “sexual and reproductive health” to comprehensive assessment domains (at the option of the Enrollee)
    - Broadens risk for abuse and neglect to include “experience of violence”
  
- The amended and restated Contract will be posted in the coming weeks on the One Care website at [www.mass.gov/one-care-administrative-information](http://www.mass.gov/one-care-administrative-information)
